FOREWORD

In attempting to be true to the traditions of Ada High School, the "COUGAR" staff has endeavored to record accurately and pictorially the events of the 1963-1964 school year.

It is our sincere hope that this book will serve as a history text for the school year--as a ready reference for reminiscence--as a tribute to those making its formulation possible.

DEDICATION

The 1964 COUGAR Yearbook is dedicated to Mr. Arthur D. Harrison, a man who has devoted more to his teaching than almost anyone. He, during the time he has taught at AHS, has served in nearly every department of the school - from physical education to vocal music. To this great man we humbly dedicate the 1964 COUGAR.
